

## Ukrainian Cultural Concert

### Extravaganza

Dear friends,

This year our homeland Ukraine is celebrating the 20th Anniversary of its Independence.

It is a significant milestone for the Ukrainian state and every Ukrainian including those Ukrainian Kivis first settled in New Zealand 62 years ago, after the end of the World War II.

As Chairwoman of the Ukrainian Association of New Zealand I'm pleased to announce that our small but vibrant community will be celebrating Ukraine's Independence by holding a Cultural Concert Extravaganza.

This event is scheduled to take place in Auckland, on 5th November, at the Hawkins Theatre, Papakura.

This concert is the biggest cultural and fundraising event arranged by our organization to the date.

I wanted to give you an early opportunity to get involved in organisational and sponsorship aspects of the concert and secure your tickets.

Your donations and proceed from the sale of tickets will go towards subsidizing transport expenses of artists coming to Auckland, hiring the theatre and equipment, using sound, light, design and print professional services.

This year's Celebrations will feature some of the top Ukrainian musicians and dancers from New Zealand and Australia including Ukrainian Dance Performers from the Ukrainian Youth Association from Sydney and Melbourne, members of NZ National Symphony Orchestra and special acts by your fellow friends from the community!

This event will be attended by New Zealand local and national government representatives, Ambassadorial delegates from Ukraine and other countries.

As a leader of the Ukrainian community in New Zealand I am asking you to support our cause, get involved, donate and purchase tickets TODAY! And secure your place in history of Ukrainian - New Zealand relations.

All donations are tax-deductable and every donation over \$100 receives a complementary ticket and opportunity to secure additional primary seating.
