

**Ukrainian celebration:** New Zealand's Ukrainian community gathered in Glendowie for their own Easter celebration. About 70 people – members of the Ukrainian Association of New Zealand and their guests – gathered at the Mother of Perpetual Help Church on Riddell Rd for their annual celebration. The event began with the Divine Liturgy from the Bishop of the Ukrainian Catholic Church in Australia, New Zealand and Oceania Peter Stasiuk, who was visiting New Zealand for the first time in 12 years.
